

SICO Socialiser Tables[®]

Designed to meet your facility's ever-changing needs, SICO Socialiser tables are perfect for use as an AV stand, concessions table, lectern or for perimeter seating, standing and conferences.

They come in three distinct models:

- 1) **The All-A-Round:** 12 height adjustments in a single table!
Heights start from 29" (74cm) and increase in 1" (2.54cm) increments up to 41" (104cm).
- 2) **The Sit-A-Round:** 27" (69cm) single height table designed for social seating.
- 3) **The Stand-A-Round:** 41"(104cm) single height table designed for pre-function events where guests remain standing.

Features of our Socialiser tables include:

- SICO Armour Edge[®] together with a MDF core and high pressure laminate protect the table top while also making it easy-to-clean and sanitary.

- Gas spring assist on the All-Around table allows fingertip pressure to change heights.

- No caddy required: One person can easily roll multiple tables into service or storage.

- Four locking, non-marking wheels are constructed of reinforced nylon.

- Minimum storage space required:
Tables nestle together compactly thanks to the unique folding top design and inter-locking legs. Each additional unit requires only 15.24cm (6") of extra storage space.
