

Hotel guests, students,
firemen and timeshare
residents need a bed
only at night.

Are your beds filling
valuable space that
could be used during
the day for other
purposes?

SICO WALLBEDS...

Turn the room you have into the space you need

The new range of SICO Wallbeds could be your answer. SICO have been in the business of maximising the use of space for over 40 years and our Wallbeds are designed and built to withstand the continuous use you would expect in a contract environment. The range includes three models to suit all budgets.

Take advantage of our free design and planning service with full installation and all you have to do is choose which SICO Wallbed is best for you!

WALLBED CHOICES:

The SICO Room Maker Wallbed

This top of the range SICO Wallbed features a conventional box spring and innersprung mattress that offers the sleeping comfort and back support of a real bed. Available in double and double XL sizes, all Wallbeds are supplied with a padded headboard that is ergonomically positioned for reading and watching television in bed. Lower and raise the Wallbed with just finger-tip pressure.

Choose from a selection of laminate colours, side cabinets, mattresses, installation methods, maintenance agreements and bed sizes.

The SICO 24/7 Sofa Wallbed

This mid-range SICO Wallbed includes a real sofa and a separate real bed. It features a conventional innersprung mattress and comfortable European style steam-bent veneer slats that adjust to the body's contours for sleeping with a comfortable and durable sofa for seating. Setting up the bed is easy: remove the cushions, rotate the leg and pull down the bed.

Choose from a selection of laminate colours, side cabinets, installation methods, maintenance agreements and sofa fabric.

The SICO Eurobed Wallbed

For the budget conscious, the Eurobed Wallbed has a comfortable mattress and European-style arched steam-bent slats that adjust to the body's contours. The Eurobed can be raised and lowered with just a fingertip pressure.

Choose from a selection of laminate colours, side cabinets, installation methods and maintenance agreements.
